Please combine into a SINGLE file:

1. Vocal audition: select a song to perform, no longer than 32 bars. A musical theatre piece is preferred, however any song that demonstrates your vocal range and ability is sufficient. Be sure to use an instrumental track and ensure that the music is loud enough to be heard, but does not overpower your vocals.

2. Monologue: select a monologue no longer than 90 seconds in length to perform. The monologue should demonstrate your range and acting ability. If desired, two contrasting monologues may be performed, no longer than 45 seconds each. Please state the title(s) and author(s) of the piece(s) at the beginning of your performance. Please combine monologues into a single tape.

3. Interview & Slate:

1. Frame yourself in a medium shot—your waist to just above the top of your head. Looking directly into the camera, please tell us your first and last name, your height, your location, and representation, and confirm that you are / will be between the ages of 18-28 as of February 5, 2023.

2. Please answer the following questions—feel free to relax and show us your personality!

1. Why do you want to participate in Broadway Bound LIVE?

2. Tell us about any training you have in voice, acting, and dance—don't stress if you don't have much / any—we are just curious about what training you may already have.
